Apprenticeships are worked-based learning programmes designed around the needs of employers which lead to nationally recognised qualifications.

To be eligible for the apprenticeship programme employees will need to be at least 16 years old, employed for at least 16 hours per week and earning the minimum wage. An apprentice will receive their training at no cost to the business. Employers are, however, responsible for the salary of the apprentice which should reflect their age and experience. The employer is required to allow the apprentice time to be assessed in the workplace on a monthly basis.
