COURSE AIM:

Show that you have the skills needed to keep a care-provision organisation running smoothly with the Diploma in Leadership for Health and Social Care and Children and Young People's Services.

This qualification gives you the opportunity to build both your managerial and care skills, allowing you to help more people. It also fulfils the regulatory requirement for those looking to become managers of a children's home.

Achievement at Level 5 reflects the ability to identify and use relevant understanding, methods and skills to address broadly-defined, complex problems. It includes taking responsibility for planning and developing courses of action as well as exercising autonomy and judgement within broad parameters. It also reflects understanding of different perspectives, approaches or schools of thought and the reasoning behind them. Applicants will require to be in a position that provides real life work opportunities that meet these criteria.
