as exercising autonomy and judgement within broad parameters. It also reflects understanding of different perspectives, approaches or schools of thought and the reasoning behind them. Applicants will require to be in a position that provides real life work opportunities that meet these criteria.

Applicants should ideally, have completed the Apprenticeship Framework at Level 3, or have the NVQ Level 3 (or 4) in Health and Social Care, or the Level 3 Diploma in Health and Social Care and are now acting as advanced practitioners or middle managers. Applicants who have not completed these qualifications must have:

- Significant previous experience of working in supervisory or management positions in the industry.

Since there are age and experience restrictions on management posts within the sector set by service regulations, it is likely that entrants to this framework will be aged over 21.

An initial assessment of each learner's suitability for entry to the Apprenticeship will be undertaken prior to enrolment.
