

Pembrokeshire College: Your Business Partner

COLEG Sir Benfro
Pembrokeshire COLLEGE

We're focused on strengthening your business for the future

With over 50 years of training excellence, we are proud to partner with local businesses to fuel growth and prosperity across the region.

Our dedicated team brings expertise in identifying the right training solutions and unlocking funding opportunities that not only help you achieve today's goals but also prepare you for tomorrow's ambitions.

By working with a dedicated Account Manager, you'll gain access to specialist knowledge and tailored resources across a wide range of sectors.

Whether you're looking for support with training needs analysis, recruitment, apprenticeships, work-based learning, or bespoke training solutions, we're here to help.

Let's shape the future of your business together - get in touch with us today.

Additional Services

NO COST RECRUITMENT SERVICE & WORK PLACEMENTS

The College's Employment and Enterprise Bureau works to support learners into meaningful work placements as well as supporting businesses to fill their vacancies.

We support and prepare learners with a wide variety of expertise and skills ready for you to recruit. With a full-time student pool of around 2,000 and some 4,000 part-time students, we have a large spectrum of skills and experience for you to recruit from.

We can help with:

- What to include in the job description
- Advertising your vacancy to our students
- Promoting your vacancies via social media
- Holding bespoke recruitment events within the College
- Short-listing candidates
- Supporting with interview arrangements including utilising space in our offices for interviewing candidates
- Offering advice on selecting the right candidate
- Ongoing support once you've filled your vacancy

01

PERSONAL LEARNING ACCOUNTS

Your employees may be able to access funding to assist with:

- Supporting their skills development needs
- Enabling them to gain qualifications to meet current skills gaps
- Gaining qualifications within the priority sectors

SKILLS FOR THE WORKPLACE

This project offers funded training to help people across south west Wales gain valuable, work-ready skills.

The training is focused around key sectors and is designed for anyone looking to upskill.

The Skills for the Workplace project is part funded by the Skills and Talent Programme through the Regional Learning & Skills Partnership and Swansea Bay City Deal sectors.

02

BENEFITS OF APPRENTICESHIPS:

Fill your skills gaps

Funded through
Welsh Government

Increased
Productivity

Develop a qualified
workforce

Apprenticeships provide a cost effective way to build a talented workforce for the future.

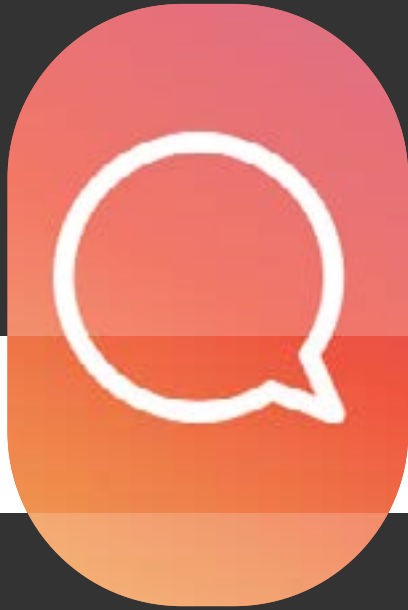

Through the apprenticeship programme you are able to up-skill both new and existing staff.

Apprentices benefit from hands-on learning in the workplace, supported by specialist College training and expertise.
